DIRECTIONS TO LOCKSOTTOM CLINIC

Once you have reached our property you need to carry on and take the 1st right by the BP Garage and follow the road round to the right, pass the bus stops and straight on into Sainsbury's Car Park. If you park and pay and then with your back to Sainsbury's look straight ahead and you will see the clinic in front of you.

The entrance to the clinic is on the Sainsbury's car park side and not the road side.

Via Bus

There are 2 bus stops close by, 1 on Farnborough Common and the other just up past the Black Horse round the corner on the left. They both come every 6-7 minutes.
