DIRECTIONS TO ISIS CHIROPRACTIC CENTRE

From the M1

Leave the M1 at junction 15A and follow signposts to the A5123, follow this straight across the roundabout to the A5067. At the end of the A5067 turn right on the roundabout to join the A4500. Turn left onto Spencer Bridge then follow the A428 until it ends and turn left onto Barrack Road. Follow Barrack Road north and we are on the left.

Walking from Northgate Bus Station

Head east on Bradshaw St toward Sheep St. Turn left onto Sheep St. Sharp left onto Lady's Ln. Turn right onto Sheep St. Turn left to stay on Sheep St. Continue onto Broad St/A508. We are on the left.

PUBLIC TRANSPORT

Via Train

When you come through the ticket barriers at the train station, there are two exits out of the station. If you walk straight from the ticket barriers (past Starbucks and WHS) you will come to the top of a flight of stairs (and a main road), if you go left from the bottom of the stairs you will come to the bus stop. We are situated on the Barrack Road, and the bus stop you need to get off at is outside the old royal mail sorting house (everyone will know where this is) so ask the bus driver. When you get off outside the old royal mail sorting house, you will have to walk back down the road past a school and we are just after the school.

If you go down a flight of stairs inside the train station, on the left of the ticket barriers in front of Starbucks, and go out the back exit into the parking lot. There is a taxi rank.
