### Via Bus

The closest bus stop is just one minute away and is just across the road. The stop they will need to ask for is Pegasus Business Park. We have 3 buses which come past which are all skylink buses. The yellow skylink (Derby/Leicester), the blue skylink (Nottingham, Coalville & Loughborough) and the Skylink Express (Nottingham).

### Via Train

The most direct and possibly quickest way would be from Long Eaton Train Station. They can leave the train station and finish the journey with the Blue Skylink (heading towards East Midlands Airport) bus as the stops are just two minutes away.
